

Beekeeping 101

**A one-day course sponsored by the
Blount County Beekeepers Association**

Saturday, February 17, 2018

9 a.m. to 3 p.m.

Maryville Church of Christ

(across from Foothills Mall)

Let's get started in beekeeping,

Topics include

- Bee Biology
- Setting up an apiary
- Tools and protective gear
- Installing bees in your hive
- Where to get bees
- Extracting honey
- Tips from the experts

FREE

(absolutely free)

No advanced registration required.

Bring a lunch or there are several fast food places in the area. There will be a break for lunch.

With all the problems that bees are having these days, one of the things the world needs more of is beekeepers

**Call (865) 566-3690 or (865) 719-1828
